8. Applicants are warmly recommended to shoot a short video CV (e.g. using mobile phone) where they introduce themselves and their motivations [Examples on how to create a video CV can be found in Google.com]

In this phase, translation of documents should be done directly by the candidates.

4.3 Deadlines and modalities

Applications are opened from 1 April at 12:00 pm (noon, UTC+1) to 29 April 2022 at 12:00 pm (noon, UTC+1). Students are required to apply through the website <https://forms.gle/xSjiezfTHPstdoMh7>

In case they do not have access to google, they are required to send all the documents to: director.medicalbiotech@uniupo.it specifying in the object: CALL UNICORE 4.0

Applications that are not properly filled in or completed with all the required documentation will not be accepted.

ART.5 Selection process

The selection process is divided into two steps:

- Step 1: evaluation of the documentation
- Step 2: on-line interview

5.1 Step 1 Evaluation of the documentation

The Committee of Experts will evaluate the documentation according to the following criteria:

- Academic background and GPA (score: 0-15)
- Evaluation of CV: professional experience and personal skills (score: 0-15)
- Coherence between previous studies and selected Second Cycle Degree programme (score: 0-10)

Candidates receiving a score of less than 25 will not be admitted to step 2 of the selection process.

Candidates admitted to Step 2 will be notified by email by 10 May 2022.

5.2 Step 2 On-line Interview

Candidates admitted to step 2 will be interviewed by the Committee of Expert, who will evaluate their technical skills, competence on the subject as well as their mastering of the English language. Interviews will be graded on a scale of 60 points.

Interviews will take place starting from 16 May 2022 and will be held on-line. Interviews will be conducted in English; English proficiency will be assessed during the interview.

Candidates will be notified by email about the date and time of the interview.

Candidates are requested to come to the interview with the Refugee Identity Card or the PoR card used during the on-line application. A third party, representatives of the partnership, must be present during the beginning of the interview for the identification of the candidate.

5.3 Establishment and approval of the final ranking list

Candidates who will score less than 60/100 points will not be included in the final ranking.

Candidate rankings are drawn up by the Committee of Experts summing up the results of the two phases and are approved by Rectoral Decree.

The ranking is organised in decreasing order of points.

For equal points, preference will be given to the younger candidate.

Winners will be notified by email by 13 June 2022.

5.4 Acceptance.

In order to confirm the scholarship candidates must reply to the University communication accepting the scholarship within 10 days from the reception. Failing to provide a feedback by the given deadline will cause the loss of the benefits.

By accepting the scholarship, the student fully accepts without reserve UNICORE 4.0 project support and financial benefits at the conditions established in this call for applications. With the acceptance students also confirm under their own full responsibility that they do not fall within any of the conditions of incompatibility established in article 2 of this call for applications.

5.5 Ranking scroll and assignment of available seats

In case a candidate winner of the scholarship will officially withdraw by 30 June 2022, the scholarship will be allocated to the next eligible candidate in the ranking.

In case of vacant seats, the University of Piemonte Orientale reserves the right to search for eligible candidates from ranking of other University partners of UNICORE 4.0. Eligible candidates from external rankings must meet specific requirements of the programmes of University of Piemonte Orientale.

ART.6 Renewal requirements

6.1 Renewal requirements

In order to renew (for the academic year 2023-24) the scholarship students are required to earn 30 university credits (ECTS) by the 10th of August 2023.

In case the study plan of the first year of the Master in which the student is enrolled will be of less of 60 credits (ECTS), the minimum credits required for the renewal will be the half of the full amount of credits for the first year as indicated in the official study plan.

In order to maintain the scholarship, students are required to earn 60 university credits by the 10th of August 2024.

Students are required to graduate by the last session available for their matriculation year, e.g. April 2025.

6.2 Additional Renewals

Students who do not succeed to graduate by April 2025 can request a 6 months extension of the scholarship, at the condition to have earned at least 80 university credits by 31 March 2025. Extension request must be submitted to the International Student Office.

ART.7 Withdrawal from the course

Candidates who will withdraw from the program during their studies will lose all the benefits of the scholarship.

ART.8 Information notice concerning data processing

In compliance with European data protection policy, the personal data collected are processed as described in the “*Informative privacy*” available (in Italian) at: <https://www.uniupo.it/it/ateneo/regole-trasparenza-sindacati/normativa/protezione-dei-dati-personali/informative>
