An aerial photograph of the University of Illinois at Chicago (UIC) campus. The central feature is a large, circular building with a prominent glass dome. To the left of this building is a large, rectangular, light-colored structure. To the right, there are several other buildings, including one with a curved roofline. The campus is surrounded by green trees and a parking lot with a few cars. The overall scene is a mix of modern and traditional architectural styles in an urban setting.
